

## REFERENCE 8-M

### DECLARATION OF COVENANT FOR MAINTENANCE AND INSPECTION OF FLOW CONTROL BMPS

#### EXHIBIT B INSTRUCTIONS

To complete the Declaration of Covenant for Maintenance and Inspection of Flow Control BMPs, the applicant is required to attach the maintenance and operations requirements (Exhibit B) to the covenant for recording with King County. The maintenance and operations requirements for each type of Flow BMPs can be found in Appendix C of the 2009 King County Surface Water Design Manual (KCSWDM) and is included in the pages that follow these instructions. The applicant must select from the applicable flow control BMP for the project and include as Exhibit B to the covenant. Only include those maintenance requirements that are relevant to the project's flow control BMPs.
